

# IDEAS!

So, you want to take your party experience to the next level? Awesome! We'll let you in on a little secret ... all of us at The Pack Shack have a little bit of crazy in us, and we like to let it shine with groups who want to supersize their Funnel experience!

**BELOW ARE A FEW THEMED IDEAS YOU MIGHT CONSIDER AS YOU PREPARE FOR YOUR FEED THE FUNNEL PARTY:**

## FUNNY HAT PARTY

By themselves, hairnets are an iconic piece of headwear. When you throw a funny hat on top of your hairnet, you've raised the standard. The Pack Shack maintains a fantastic assortment of funny hats, and we're happy to bring these to your party for everyone to enjoy. Just let us know, and we'll show up in costume ready to rock and roll!

## EIGHTIES PARTY

Ahhh ... the '80s. A decade of bold style, colors, and big hair, with trends from ripped tights and leather to polished oversized blazers. Style icons included Joan Jett, Patrick Swayze, and Brooke Shields. Spice your party up a bit by encouraging everyone to sport their best '80s fashion. Maybe even offer an awesome prize for the best dressed! We'll supply the decade-appropriate playlist to round out the experience.

## LUAU PARTY

Seriously, who doesn't love the classic and colorful hibiscus clad button up shirt, coconut bras, beautiful lei necklaces, and swaying grass skirts? Give your party the Aloha vibe by encouraging everyone to wear their best luau ensemble. We'll even create a special playlist to keep with the Aloha spirit. Can you say Don Ho? Limbo? Ukelele? A post-party Polynesian style dance off is never out of the question, so come ready!

## COSTUME PARTY

Why wait until Halloween to put your creative spirit on display? At The Pack Shack, it's always the right time for a costume party! As long as you can put a hairnet over your headpiece (and it's appropriate for all ages), you're ready to roll! Let your imagination run wild, and showcase your costume skills as you party to fight hunger in your community and serve your neighbors in need!

## PAJAMA PARTY

Some days you just don't feel like getting out of bed, or at least out of your pjs! Right? Right! On days like those, why not host a crazy fun Feed the Funnel pajama party? Sure ... you can wear your bunny slippers! No judgement here.

## SPORTS TEAM EXTRAVAGANZA

Whether it's your alma mater, your beloved local team, or your favorite franchise, you likely have some team to which you have pledged your undying loyalty. Encourage your group to rock their team of choice and turn your party into a sports team extravaganza. Face painting earns bonus points.
