

FUNNEL TESTIMONIALS

“ We had SUCH an amazing time. People are continuing to approach me and tell me that this is the **best thing we've ever done** ... thanks for making me look good! The event accomplished exactly what I was aiming for and more. The party was the perfect way to kick off our week together, was energizing, encouraged **teamwork**, created opportunities to team with people across various offices, gave people a **sense of purpose**, and it was **FUN** (not a word you always hear at national training)! You've also really impressed our Leadership with your **process efficiency** skills, an enviable trait that we are always trying to foster within our own practice!

“ My experience with The Pack Shack organization and the team has been **incredible**. I have organized and hosted **over 15 Pack Shack parties** for two different corporations. The **impact** team members accomplish and the party like atmosphere makes this service project one of the **highest rated projects by volunteers**. The Pack Shack team knows how to throw a great party for a cause, and the **energy** in the room is high. I am looking forward to many more Pack Shack parties in the future!
