

A FUN & EASY WAY TO INCREASE YOUR IMPACT...

Food+Drive

Thanks for your interest in including a Food+Drive in your crazy fun Feed the Funnel party! This is a fun and easy way to increase your impact for your local nonprofits. We encourage you to collect any of these **specific items** (brand & size) as they are of high value to nonprofits and the consistency of sizes and brands will help the nonprofits with sorting and stocking. Please bring the items to your Feed the Funnel party, and we'll count all items before they're distributed to the nonprofits of your choice!
